Dear Members,

Oct. 28, 2008

On behalf of the Organizing Committee, it is my great pleasure to inform you that the 2008 International Conference of Cue Ball Sports Training Science (2008 ICCBT) is being organized by the Chinese Taipei Billiards Association (CTBA) and the Asian Pocket Billiard Union (APBU), together with the 2008 Asian Council of Exercise and Sports Sciences (ACCESS) Conference, from 12 to 14 December 2008. The international conference will be held at the Bo-Ying International Conference Centre, Chinese Culture University, Taipei Taiwan.

The immediate past president of WCBS, Mr. Jorgen Sandman, and some board members of Asian Council of Exercise and Sports Science (ACCESS) will feature as keynote speakers for this conference. The Chinese Taipei Billiards Sports Association, in cooperation with the APBU is offering a C Level Coaching Certificate for those participating in the conference. Conference participants already possessing a C Level Coaching Certificate will have their qualifications upgraded to B Level Coaching Certificate after the conference.

The theme of the 2008 ICCBT is *Cue Ball Sports: Humanities and Science*. Highlights include five keynote and twenty invited addresses from prominent scientists and researchers from Taiwan and abroad. Four workshops will also be organized. It is the first time that such an important event is to be held in Taipei, Taiwan and so we hope that you will seize the opportunity to upgrade and obtain your coaching certifications. We look forward to hearing from you and if there is any additional information you require, please contact the CTBA office at bact.tw@msa.hinet.net or <http://www2.pccu.edu.tw> for registration.

With best wishes and yours sincerely,
