Season Summary - 2007 / 2008

EBOS ended a very successful second full season in Jersey in May, which culminated in two extraordinary 10 shot's from Phillip Smith (Jersey), and then Matthew Sutton. The series saw five different event winners, a high season break of **512** made by Peter Gilchrist, and paid out a total of **£13,348***¹ in prize money. The first junior (U19) EBOS event was held in Prestatyn alongside the Welsh Open, which saw Michael Williams triumph and earn himself entry into this years EBOS. Further success was achieved at the end of the season by the news that EBOS have been granted direct entry (3 places) into this years **IBSF World Championships** in Bangalore. This is a major step forward for EBOS, and indeed we hope our ability to nominate to these championships from our Ranking List in future years ... watch this space ...
